MEMORANDUM FOR: Project Director

SUBJECT: Letter of Intent to The Perkin-Elmer Corporation
for Equipment Required by the Department of the
Air Force

REFERENCE: (a) Letter of 9 April 1956 from [redacted]
[redacted] to Project Contracting Officer

25X1
25X1

1. Reference (a) sets forth the Department of the Air Force requirements with respect to the tracker camera, view finder and mount and constitutes proper AF authority to procure.

2. The attached Letter of Intent has been requested by the Perkin-Elmer Corporation pending the negotiation of a contract. In the meantime the Contractor will submit a proposal which will serve as a basis for a Letter Contract or for a Definitive Contract and for the obligation of funds.

3. Detailed technical discussions were held in Project Headquarters 25 April 1956 between [redacted] of P & E, [redacted] and the Project Contracting Officer. Agreements were reached as to items and services desired.

25X1
25X1

4. Your concurrence in the forwarding of the attached Letter of Intent is requested.

25X1

[redacted]
Project Contracting Officer
